Name: _____ Date: _____

Picture Subtraction with Base Ten Blocks

	= 100
	= 10
	= 1

Subtract the numbers. **Cross out** the base ten blocks to show how many you take away. Write the **difference**.

	Hundreds	Tens	Ones	
1. 543 − 217				Difference = _____
2. 672 − 345				Difference = _____
3. 806 − 258				Difference = _____
4. 931 − 476				Difference = _____

Cross out the blocks carefully. Count what is left to find the difference.
