Name: _____ Date: _____

Picture Division: Sharing Objects Equally

Count the objects in each picture. Share them equally into the number of groups shown.
Draw circles around each equal set. Then write a division number sentence to match.

1 Share equally into 2 groups.		2 groups □ ÷ □ = □ ___ objects in each group
2 Share equally into 3 groups.		3 groups □ ÷ □ = □ ___ objects in each group
3 Share equally into 4 groups.		4 groups □ ÷ □ = □ ___ objects in each group
4 Share equally into 5 groups.		5 groups □ ÷ □ = □ ___ objects in each group
5 Share equally into 6 groups.		6 groups □ ÷ □ = □ ___ objects in each group

Draw neat circles to show your equal groups. Make sure each group has the same number of objects.
